

FOP VERIZON DISCOUNT INFORMATION

The FOP discount program is a Government discount structure the benefits overview is as follows:

1. 22% discount
2. Government pricing, unlimited data, text or unlimited talk, text & data
3. Includes Verizon Cloud only for contacts. No media or pictures will be backed up.
4. Pricing for minute usage or an unlimited talk, text & data, including 10GB mobile hotspot
5. One-year pricing, 10 month upgrades
6. No early termination fees
7. WAIVED \$40 Activation, \$40 upgrade and \$35-\$70 restocking fees
8. Overnight shipping fee waived

3 Key Points to Remember:

1. The Verizon Wireless retail stores will no longer be able to assist you with any account transactions. Most all transactions can be completed thru your online MyBusiness account. We strongly recommend setting up your MyBusiness online account as soon as your account is switched over. With MyBusiness you will be able to purchase/upgrade your devices, as well as purchase accessories. MyBusiness will give you the best available discount on phones and accessories, usually more than you would receive thru Customer Care.

2. Your current equipment upgrade dates/contracts must be fulfilled prior to being eligible to upgrade on the new account.

3. If you have device payment plans on any line of service, that has to be paid off before your lines can transfer.

4. Both your old account and new account will experience proration's (see below).

Be advised of the effects of proration on your account when activating a new line of service or performing a transaction that will result in prorated charges. (E.g. transfer from Personal to FOP)

FOP VERIZON DISCOUNT INFORMATION

New Account or Line of Service:

Charges are prorated from the day after the activation date until the start of the first bill cycle (e.g. if you activate on the 5th and your bill cycle is the 15th, prorated charges will occur from the 6th through the 15th). ☑ Access, airtime minutes and megabyte allowances are all subject to proration when certain on demand changes are completed outside the first day of the bill cycle.

Existing Account prorate impacts:

Access, airtime minutes and megabyte allowances are all subject to proration when certain on demand changes are completed outside the first day of the bill cycle.

Once you are switched over here is the contact number for your new billing account;

Please contact the following Government Business Center 1-800-922-0204

Business Center can process the following transactions: Warranty Equipment Replacement Billing Questions & Account Research Price Plan Analysis & Account Reports Disconnects & Reacts from Disconnect Suspend/Reconnect & Cost Centers Updates ONLY.

NOTE THE FOLLOWING;

1. All transactions will need to be processed online using the My Business portal, www.verizonenterprise.com). You can manage your account, including but not limited to, upgrades, view/pay your bill, add features, change your calling price plans and update billing information.
2. If you have to call customer service the Verizon representative will have to call a POC to verify the FOP account.

How to obtain a Verizon Wireless Mobile Phone FOP Government Account

If you want to move your existing or non-Verizon cell phone service to the FOP's corporate account, please use the ASSUMPTION OF LIABILITY (AOL) form attached to this email. You will also need to print/sign and scan the AZ FOP VERIZON AGREEMENT and send that form with the AOL form.

If you want to move your **non-Verizon** cell phone service to the FOP's corporate account, before doing so, call your current cell phone service provider to ensure you will not incur an early cancellation fee. If you will incur a fee, determine if it's something you are willing to pay or you may decide to wait until your contract with your current provider has ended before moving to Verizon Wireless. If you want to port/keep your number from another service provider, you must put the service provider's account and PIN or password on the form at the line "existing account number". You must also purchase a phone (s) for the ported numbers.

If you do not have a cell phone account with any provider, fill out the AOL form attached to this email. Since you will not have existing information leave those boxes blank.

IMPORTANT; if your existing Verizon account is bundled with Century Link or any other company you MUST de-enroll before sending your AOL to be processed.

If you have an installment loan on equipment on your existing Verizon account you cannot transfer to the FOP Corporate account until that loan is paid off.

If your mobile number is under a family member's account or someone else's account and you want to transfer only your number to the FOP Corporate account, you must be an account manager on that account in order to transfer your number.

If your phone(s) are on a prepaid account, you cannot transfer those numbers until you switch to a regular account.

The Following is a STEP-BY-STEP procedure for completing the AOL form. Follow the directions posted in each box. Please note some of the information requested may not apply to you. Please do not go into a Verizon store for help or questions. They will not be able to help as they not familiar with corporate pricing and have no access to this information.

The relinquishing customer, YOU and your (Personal account), will need to do the following steps.

The Final Steps....

How to obtain a Verizon Wireless Mobile Phone FOP Government Account

When Lorraine receives your copy, she will send your paperwork to the Government Business Center for processing- This will take between 3-5 business days- When you have a new billing account Rachel will send you an e-mail notifying you your request has been completed.

Don't be concerned unless you receive an email stating your application is missing a piece of vital information. If that is the case, provide whatever missing information requested.

IMPORTANT TO KNOW; if you as an FOP member cancel your membership to the Fraternal Order of Police for any reason you cannot have an account under the FOP Corporate account. Lorraine receives a list of Inactive members and will suspend/cancel your Verizon account if it is found you are no longer an FOP member.

Once you have an AZ FOP Verizon account you are solely responsible for your bill and any equipment purchases.

You must sign the AZ FOP Verizon agreement and send along with the AOL form on separate attachments.

AZ FOP VERIZON AGREEMENT

I hereby acknowledge that by entering into the AZ FOP Verizon program I am fully responsible for any and all charges incurred on my billing account.

I also understand that my billing account will be created by a Verizon representative under the AZ Fraternal Order of Police and that I am an end user on that created account, which means that I am solely and fully responsible for paying any and all charges incurred on my account.

I understand that if my account becomes delinquent 60 days my service will be interrupted until I bring my account current.

I also understand that if I become delinquent or default in my obligations to pay the monthly charges on my account, FOP has the right to immediately terminate my enrollment in the AZ FOP Verizon plan, and I will be liable to AZ FOP to pay the full balance of the outstanding bill plus interest accrued at the lesser rate of prime plus one or 10% simple interest.

I also understand that I will be liable to AZ FOP to pay the costs and attorneys' fees incurred by AZ FOP in its efforts to collect my delinquent bill from me.

Assumption of Liability Authorization Form
Non-Bulk transactions / Single line request rev. 08/25/2011

This form will allow you to transfer billing responsibilities for a Verizon Wireless mobile telephone number ("MTN").

1. Read the terms and conditions of this transfer of liability and complete all the applicable fields below.
2. If you are eligible, or required, to change your calling plan (if the relinquishing party is on a Family SharePlan the remaining lines may no longer qualify for the Family SharePlan and those lines will also be required to select a new calling plan), select an appropriate calling plan by reviewing available plans at verizonwireless.com and make the necessary changes before submitting this request. Complete the fields in the Calling Plan Change section below for those lines being transferred. The change will become effective once the transfer of liability is complete.
3. When returning this form via e-mail, you must check the box as indicated below to acknowledge your electronic acceptance of these terms. Relinquishing party must complete their section of the form, save a copy and email it to the assuming party. Assuming party completes their section of the form, saves and forwards the completed document along with the email trail from the relinquishing party. Completed form should be sent to **Lorraine Thompson at lofoplodge1@gmail.com**. Once the form is received, a confirmation e-mail notice will be sent to the requester's e-mail box.

Note: Completion timelines for the Assumption of Liability request is 3-5 business days.

Account Information – Relinquishing Customer

- The account identified must be current (no past due balance) before Verizon Wireless can transfer it to another party.
- Upon completion of the transfer of liability, Verizon Wireless will send you a final bill for all charges due through the date of the transfer of liability, which will serve as your only notice of the transfer of liability. You will be responsible for the payment of this final bill.
- In addition to assigning all billing responsibilities, all calling information associated with this MTN will become the property of the assuming party.
- By checking the box below, you agree to release liability for the MTN indicated below.

Account Information - Assuming Customer

- Assuming party will be subject to a credit check. A deposit may be required to establish a new account.
- Once the transfer of billing responsibilities is processed, Assuming Party will be solely responsible for all financial responsibility for this MTN.
- Assuming Party will be required to accept a one-year contract term unless there is less than 12 months remaining on the existing contract, then the remainder of the existing contract term will carryover to your new account.
- This Assumption of Liability is subject to your Organization's Agreement with Verizon Wireless or acceptance of the Verizon Wireless Customer Agreement, whichever is applicable.
- Unless specified, optional features will not automatically transfer over to the new account without assuming party's consent.
- By checking the box below, the Assuming Party represents that he/she has the legal capacity to bind himself/herself and/or the Organization (if applicable) he/she represents and acknowledges that he/she has read and understand these Terms and Conditions and agrees to assume liability for the MTN indicated above.
